- European Commissioner for Employment, Social Affairs and Inclusion László Andor visits the Shouyun iron ore mine in Miyun County, North of Beijing. The site hosts a pilot project run jointly by the European Commission and the Chinese authorities to give practical experience of how best to safeguard the health and safety of workers in high risk sectors. Mr Andor's visit to Beijing is an opportunity to pursue and further strengthen the European Commission's dialogue with China on employment and social policies in such areas as protecting employees health and safety at work and labour law, with a particular focus on how best to ensure consistent implementation and on the social protection reform due to be launched in China in 2014.
