DEVELOPING LEADERSHIP BY UNDERSTANDING CONTEXT

Focus on policy

TOPICS	We don't do this at the moment: score 1	We do this in some way: score 2	We do this quite well: score 3	We do this very well: score 4
1. Our organisation has developed a clear long term organizational strategic vision.				
2. Our organisation has developed a clear short to medium direction that guides our work.				
3. Our organisation has considered the significant external challenges facing us and potential opportunities open to us.				
4. Our organisation has considered its ability to survive and prosper in the future.				
5. We know who our active and key members and stakeholders are, including possibly under-represented groups.				
6. We involve and have plans in place to include both established stakeholders and underrepresented groups in decision making.
