10:01:35	Soundbite by Štefan Füle (in ENGLISH): The Commission proposes a special transit regime for exports from Bosnia and Herzegovina through the Croatian Port of Ploče. Thanks to this special regime, vast majority of export and import of agricultural products of animal origin will continue as before entry of Croatia to the EU. This regime will be applicable from 1 July 2013 until Bosnia and Herzegovina itself meets the EU standards. The list as it will stand on 1 July can be further amended on a case by case basis, based on Bosnia and Herzegovina's evolving trade needs.	00:00:53

10:02:35	Soundbite by Vesna Pusić (in CROATIAN) saying that this is a project that Croatia sees at a joint project for Croatia and Bosnia and Herzegovina. A project that carries positive elements for both sides. As for construction, there will be 50 to 60 borders crossing points of different categories ranging from special border crossing points where animals will be able to cross where we have veterinary points and also local borders crossing points.	00:00:48
