ANNEX 1 : LIST OF BASIC ACTS 49
ANNEX 2 : FUTURE PROGRAMMES UNDER 2007-2013 FINANCIAL PERSPECTIVES 50

Context

In the previous nomenclature of the budget, the comments associated with the budget lines covering the grants financed under heading V (Administration) of the multi-annual financial framework used to request a report on their implementation.

This remark is no longer present in the new budget nomenclature. However past experience has shown the report to be a valued source of information to answer various questions raised by MEPs or citizens.

The report reviews the grants "ex A-30" financed under heading V and covered by basic acts which have been adopted by the Council (decisions) or the Council and the Parliament (co-decisions) end of 2003 and beginning 2004 (see table in enclosure 1).

Implementation under these basic acts lasted from 2004 to 2006 and can be considered as completed although some payments and recovery orders might still take place.

It has therefore been decided to produce for the last time this report; in order to maintain high level of transparency it follows the same structure as in previous years.

Under the 2007-2013 financial perspectives, the grants will follow the legal basis as of enclosure 2.

Figures 2004-2006

19 02 02 Institutes specialising in relations between the European Union and third countries

Remarks ex A-3031

This appropriation is intended to cover a subsidy to the budgets of the various centres, institutes or networks which are acknowledged specialists in the analysis and monitoring of relations between the European Union and other regions for the external relations policy. This subsidy will enable the existing centres to step up their activities (research, seminars, contacts and publications) and to incorporate themes marked out by the Commission as particularly relevant and topical in relations between the European Union and the regions concerned. A more intensive analysis is envisaged of certain relations between the European Union and the regions concerned, i.e. Asia, Latin America, the Mediterranean, the Balkans and the independent States of the former Soviet Union.

Legal basis

Regulation (EC) No 2240/2004 of the European Parliament and of the Council of 15 December 2004 amending Council Regulation (EC) No 975/1999 laying down the requirements for the implementation of development cooperation operations which contribute to the general objective of developing and consolidating democracy and the rule of law and to that of respecting human rights and fundamental freedoms (OJ L 390, 31.12.2004, p. 3) and Council Regulation (EC) No 2242/2004 of 22 December 2004 amending Regulation (EC) No 976/1999 laying down the requirements for the implementation of Community operations, other than those of development cooperation, which, within the framework of Community cooperation policy, contribute to the general objective of developing and consolidating democracy and the rule of law and to that of respecting human rights and fundamental freedoms in third countries (OJ L 390, 31.12.2004, p. 21).
