Share this

The conference features top ICT professionals from industry, academia, research. Speakers from across the ICT sector will address a range of issues from cloud computing, broadband, ICT infrastructures, ICT skills, cyber security, long term visions on the future and much more. Experts will present details on how to participate in the next EU's Research Programme [1]- Horizon 2020.

A special focus wil be on Digital Futures [2] - a journey into 2050's futures and policy challenges.
