	Jaroslav Keprt e-mail: keprt.jaroslav@kr-jihomoravsky.cz, tel. 00420541651325	Republic) - Long-term co-operation with border regions - Experience in project leadership (project management) - Skilled human resources in the target area - Direct connection to the territory, municipalities, towns and microregions through which the Iron Curtain Trail will lead - Interest in participating in the discussions on the trail routing - Exchange of best practice from projects already implemented and opportunity to learn about regions supporting the development of cycling tourism	
Hungary – West Pannonia Region	**Szigetköz-Mosoni sík Leader Group** **Dániel Szilágyi:** leaderdani@kimle.hu **Németh Mónika:** monika.nemeth@inventio.hu	Our LEADER group covers municipalities of North-West Hungary. Some of them are concerned by the Iron Curtain Trail, some of them have links to Saint James and therefore interested in the development of the Saint James Trail. One of our main objective is the development of thematic routes, walking, cycling and water trails in the region, thereby contributing to the enhancement of sustainable tourism.	We are looking for participation in project proposals aiming either the development of the Iron Curtain Trail or the Saint James Trail. We are looking for partners especially from Austria, Slovakia and the Czech Republic.

Bulgaria	**Bulgarian Association for Alternative Tourism** **Kiril Kaloyanov, Executive Director.** kaloyanov@baatbg.org Tel: +359 (0) 2 980 7685; +359 (0) 883 379987	We would be willing to cooperate in a project for the implementation of the Iron Curtain Trail and I could contribute the following support / activity: networking process, professional expertise, moderation, management.	We are interested in cooperation with Romania, Serbia, FYROM, Greece (NGOs & local governments).
Bulgaria	**Information and Nature Conservation Foundation** bd@ecologybg.com www.ecologybg.com +359 887214858	We would like to work with the stakeholders in the area to popularize the idea and "prepare the ground" for the real ICT establishment. We would like to get involved in the feasibility study/action plan development and as a consequence the development of a project proposal to implement the ICT on the ground in Bulgaria. We have extensive experience in networking, stakeholders' involvement, feasibility studies, strategies and action plans development (see www.ecologybg.com). We work in the field of nature conservation, public awareness and sustainable tourism development.	We are looking for participation in project proposal development and implementation for the Iron Curtain Trail. We are interested in joining a consortium, which is preparing a proposal for ICT in its Southernmost part between Bulgaria and Greece (and possibly Turkey).

Latvia, Baltic states	State enterprise "Environmental Projects" Šmer•a iela 3, Riga, Latvia, LV1006 Projects manager Anita Lauzuma E-mail: anita.lauzuma@videsprojekti.lv	We are concerned by the Iron Curtain Trail – Northern part. Our main objectives are: Sharing of best practices from already implemented projects and the opportunity to learn about regions supporting the development of cycling tourism; Organization of workshops gathering relevant regional stakeholders and decision-makers; Establishment of transnational networking process of relevant national stakeholders and decision-makers.	We are looking for partners from Finland, Estonia, Lithuania and Poland.
All Europe **Members in: AT, BY, BE, GB, CZ, CY, FR, DE, GR, HU, IT, LV, LT, LU, NO, PL, PT, RO, RS, SK, SI, ES, CH, UK**	EuroGites – European Federation of Farm and Village Tourism Mr. Klaus Ehrlich General.secretary@eurogites.org	Cooperation and synergies between cycling routes and the dense network of rural accommodation in all European countries. Preferentially, project content that can be used generally in any country.	(A)
The Netherlands	NHTV Breda University of Applied Sciences Centre for Sustainable Tourism and Transport (CSTT)	The CSTT would like to offer its expertise for this very interesting Call for Proposals. At CSTT we study the relations	We are looking for participation in project proposals. Our expertise is probably best suited for Type A proposals, e.g. those aimed at

	Eke Eijgelaar: Email: eijgelaar.e@nhtv.nl Website: www.cstt.nl	between tourism, tourism transport and the impacts from tourism on the economy and the environment, with a particular focus on tourism emissions and climate change. We do this mainly through the development of (sustainability) indicators, models, databases and methods. Amongst others, as co-authors, we have used our knowledge for writing the EuroVelo report (2009). The economic impact model therein has now been applied to several cycle routes (e.g. the ICT).	monitoring, data collection, sustainability assessment, etcetera.
Italy (Region of Umbria and South Tuscany)	"Travelogue" Association for the promotion of a new Culture of Tourism Contact Person: Silvia Bonomi Address: Voc. Palombaro 116 – 06055 Marsciano –PG ITALY e-mail: stafftravelogue@yahoo.it silviabonomi@yahoo.it	Association Travelogue is interested in the promotion of the territory through the integration of different approaches and a new culture of tourism. "Travelogue" is a cultural association that has its origin in the observation of natural beauties, landscapes and cultural richness of Central Italy. This area has always been considered "the green lung of Italy" and is visited by people coming from all over the world. Cycling tourism is very common especially in the Tuscan area of Val d'Orcia. Travelogue suggests routs among the most charming itineraries	Participation in project proposals

		of Umbria and south Tuscany, to discover colours, fragrances, taste, views, people and traditions that make this place unique. The organization can support a project for the promotion of Cycling Tourism in Europe.
