Safer Internet CY SIC: Cyberethics GIII: Cyprus Safer Internet Center. Insland-wide services for Safer Internet Awareness, Helpline and Hotline

CyberEthics is the Cyprus Safer Internet Center that promotes the safer use of the Internet

\n

CyberEthics is the Cyprus Safer Internet Center that promotes the safer use of the Internet. The Safer Internet Hotline is a place where you can report any Illegal or annoying content that you might come across on the Internet. If you come across anything illegal just click on the big red button “Stop! Illegal or Disturbing Content”, fill in the form and CyberEthics will investigate the report and communicate with the appropriate governmental bodies. The Safer Internet Helpline is where one can ask for help (through chat, email, phone) about problems that they may face while using the Internet.
