**Call for tender ENTR/2009/033
"Framework contract for studies in the area of European Competitiveness"**

Questions and answers

1. We are interested in your Invitation to tender (ENTR/2009/033) on framework contract for studies in the area of European Competitiveness. We are interested in the subject entitled: "Innovation response from the emerging economies" (Scenario 2.) Our question is the following: Can we submit a tender for this only topic, or we have to be able fulfill more or all the topics listed in point 4.1. in the General Invitation?

Answer:

This call for tender is not a call with separate lots.

As indicated in section 4.2, the 3 case scenarios are for "tender evaluation purpose only". The potential tenderers will have to present their methodology as described in section 4.3 for each case scenario.
