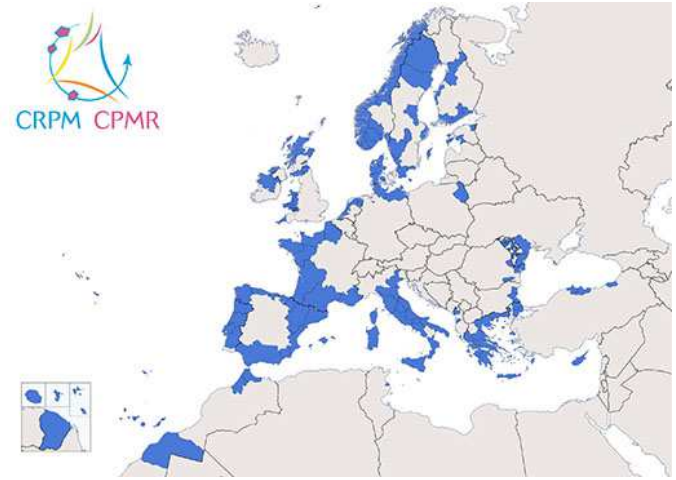
Blue economy of the Black Sea: Odessa 14 June 2016

Investing in Blue Growth with Vasco da Gama

Who we are : a pan-European network of regional authorities

Promotion maritime policies…



… Making Regional Authorities aware of international strategies and programmes in the Wider Black Sea area

… Preparing projects and implementing partnerships

- *BSEC*
- *Black Sea NGO Forum*

CPMR BALKAN & BLACK SEA COMMISSION

CPMR CRPM

Role of the regional organisations

- Trust building forum
- Support implementation and further integration (e.g. spatial planning, common maritime agenda)
- Inform (and shape) our policies
- Craft partnerships at regional and local level
- Driving cultural and societal change

Maritime Policies and Regions in the Black Sea:

- Regional Authorities are more than concerned: tourism, maritime spatial planning/integrated coastal management, fisheries …
- the CPMR is ready and willing to back current initiatives in support of the development of the Blue Economy and Integrated Policy: dissemination of recommendations and good practices, workshops, platform for exchanges …
- *quality of human resources in maritime economies is a key issue: maritime education and "Vasco da Gama for the Black Sea"*
