Who are we…

Fisheries Local Action Group Shabla - Kavarna - Balchik

- Public – private partnership
- Territory
- Strategy

The “Bottom – Up” approach

- Idea
- What is the different
- Community-led local development (CLLD)

What we have achieved so far…

- 73 projects
- 80 sustainable jobs
- 100 trained people
- 3 new and modern market places for aquaculture products and fish

Examples

- Project of building a factory for processing sea whelks/rapana

- Project of conducting courses leading to qualifications - skipper of a small vessel, diver 1 and 2 star, according to CMAS Federation standards and lifeguard courses

- Project of promoting the traditions of fishing and aquaculture Fishermen's territory by issuing a book of recipes prepared from fish and aquaculture, which was implemented in partnership
