

EuropeAid project in support to the  
**Enhancement of the Business Environment  
in the Southern Mediterranean (EBESM)**  
(January 2014 - January 2017)

# Project Aims

To foster the development of a favourable business environment in line with EU best practices (Euro-Mediterranean Charter, SBA);

To increase the capacity and raise awareness among public and private stakeholders around mSMEs development issues, including access to finance, in particular to give greater attention to SMEs as creators of employment.

## Project activities linked to the Working Programme of the Euro-Mediterranean Industrial Cooperation Group

Producing relevant studies and surveys

Delivering capacity-building, training and seminars (in-country/ regional)

Sharing information, experience and dialogue with local actors to build up modern SME policies

Developing and maintaining good practice databases and relevant associated tools

# Project Beneficiaries

## All ENP South Countries\*

- GIZ sharing country office with other German development cooperation organisations
- GIZ office

\* The EU cooperation with government and public institutions from Syria is temporarily suspended.
