Batteries Europe online workshop 1

State of Play of Batteries in Europe: Are We Facing the Challenge?

Thursday 1st October 2020, 10:00 – 12:00

Moderator: Rosa Palacin (Governing Board Member)

Speaker	Title	Time
Michael Lippert, Governing Board Chair	Keynote Speech and Introduction	10.00 – 10.20
Joanna Szychowska, European Commission (to be confirmed)	EBA + batteries in the frame of Green Deal and Recovery Plan	10.20 – 10.35
Yann Meniere, European Patent Office & Simon Bennet, International Energy Agency	Clean Technologies in relation to the EU Green Deal (European Patent Office Study)	10.35 – 10.50
David Post, Enel (to be confirmed)	Covid-19 impact on the development of the European battery value chain	10.50 – 11.05
Q&A Session		11.05 – 11.20
Emma Wiesner, Sustainability Task Force Chair	Batteries for Sustainability	11.20 – 11.35
Jean-Baptiste Pernot, Saft	Giga factory, What's new?	11.35 – 11.50
Moderator	Wrap up and Conclusion	11.50 – 12.00

Batteries Europe online workshop 2

What Makes Us Different? Europe's Efforts on Addressing Cross-cutting Topics

Monday 19th October 2020, 14:00 – 16:00

Moderator: Stefano Saguatti (Governing Board Member)

Speaker	Title	Time
Michael Lippert, Governing Board Chair	Welcome	14.00 – 14.05
Uwe Seidel, VDI/VDE Innovation	IPCEI, a mechanism supporting the development of a strong European Value Chain	14.05 – 14.25
Ilkka Kojo, Working Group 2 Chair & Mari Lundstrom, WG2 Co-chair	The sustainable battery value chain: from securing the raw materials supply to improving the battery recycling	14.25 – 14.45
Willy Tomboy, Second Life Task Force Chair	2nd Life batteries: a value pool for energy storage	14.45 – 15.05
Q&A Session		15.05 – 15.15
Maher Chebbo, Digitalization Task Force Chair	The need for Digitalization	15.15 – 15.35
Maitane Berecibar, Safety Task Force expert	The need for safe and sustainable batteries	15.35 – 15.55
Moderator	Wrap up and conclusions	15.55 – 16.00

Batteries Europe online workshop 3

People Power for the Battery Value Chain - from Education and Research to Implementation

Thursday 29th October 2020, 10:00 – 12:00

Moderator: Tuomas Van Der Meer, Governing Board Member

Speaker	Title	Time
Michael Lippert, Governing Board Chair	Welcome	10.00 – 10.05
Rosa Palacin, Governing Board Member	Keynote speech and introduction	10.05 – 10.20
Axel Thielmann, Education Task Force Chair	Education needs for the European Battery Value Chain	10.20 – 10.35
Michel Viktorovitch, National and Regional Coordinators Group Chair	National support and tools to the European battery sector	10.35 – 10.50
Q&A Session		10.50 – 11.00
Edel Sheridan, Batteries Europe Technical Leader	Batteries Europe's Strategic Research Agenda	11.00 – 11.15
Kristina Edstrom, Working Group 1 Chair/coordinator of Battery 2030+ & Tejs Vegge, Working Group 1 member/partner of BIG-MAP	Battery2030+ & the BIG-MAP	11.15 – 11.35
Arno Kwade, Working Group 4 Co-chair/LiPLANET coordinator	LiPLANET roadmap: Development of an industrial scale Li-Ion cell production in Europe	11.35 – 11.50
Moderator	Wrap up and conclusions	11.50 – 12.00
