

EUROPEAN COMMISSION  
ENTERPRISE AND INDUSTRY DIRECTORATE-GENERAL

Resources Based, Manufacturing and Consumer Goods Industries  
**Chemicals Industry**

**TECHNICAL VALIDATION WORKSHOP**  
**to discuss the preliminary results of the study supporting the impact assessment**  
**on transparency measures for nanomaterials on the market**

**30 June 2014**

Borschette Conference Centre, Room AB-0D  
Froissartstraat 36, 1040 Brussels, Belgium

**AGENDA**

- |   |               |
|---|---------------|
| <b>Registration</b>   | 09:00 – 09:30 |
| 1. <b>Welcome</b> (Otto Linher, DG Enterprise and Industry)   | 09:30 – 09:40 |
| 2. <b>Introduction</b> to the EU legislative framework for nanomaterials and to the study on transparency measures for nanomaterials (Maurits-Jan Prinz, DG Enterprise and Industry)  | 09:40 – 10:10 |
| 3. <b>Presentation of the evaluation report:</b> assessment of the French Notification System (Marco Camboni, RPA),<br><i>followed by panel discussion and Q&amp;A,</i><br><i>moderated by Nicolas Segebarth (DG Research and Innovation)</i>   | 10:10 – 12:00 |
| <u>Panellists:</u>  |               |
| <ul style="list-style-type: none"><li>• Vivi Johansen, Danish Environmental Protection Agency</li><li>• Christophe Zuneve, Clariant France</li><li>• Richard Vincent, UK Department for Environment, Food and Rural Affairs</li><li>• Vito Buonsante, ClientEarth</li><li>• Marco Camboni, RPA</li><li>• Reinhard Joas, BiPro</li></ul> |               |
| <i>Lunch</i>  | 12:00 – 13:15 |

4. **Presentation of the building blocks report:** 13:15 – 14:25  
 Hazards and risks of nanomaterials and potential benefits of the transparency measures (Marco Camboni, RPA),  
*followed by panel discussion and Q&A,*  
*moderated by Henrik Laursen (DG Environment)*
- Panellists:
- Tatiana Santos, European Environmental Bureau
  - Steffi Friedrichs, Nanotechnology Industries Association
  - Kathrin Schwirn, German Federal Environment Agency
  - Birgit Sokull-Klüttgen, Joint Research Centre, Institute for Health and Consumer Protection
  - Marco Camboni, RPA
  - Reinhard Joas, BiPro
- Coffee break* 14:25 – 14:45
5. **Presentation of the building blocks report (cont'd):** 14:45 – 15:50  
 nanomaterials markets (value chain characterization, growth and innovation) and potential impacts of the transparency measures (Andrew Turley, RPA),  
*followed by panel discussion and Q&A,*  
*moderated by Maurits-Jan Prinz (DG Enterprise and Industry)*
- Panellists:
- Carolin Kranz, BASF
  - Simon Meirsschaut, European association for Surface Treatment on Aluminium
  - Andrew Turley, RPA
  - Reinhard Joas, BiPro
6. **Outlook to the assessment of policy options** 15:50 – 16:10  
 (Maurits-Jan Prinz, DG Enterprise and Industry)
7. **Overview of the options assessment report** 16:10 – 16:45  
 (Marco Camboni, RPA), *followed by questions*
8. **Conclusions and next steps** 16:45 – 17:00  
 (Otto Linher, DG Enterprise and Industry)
