European Commission

PROTECTING AFRICAN DOMESTIC WORKERS

USING SURVEYS TO INTEGRATE VULNERABLE POPULATIONS

Wednesday 13 June 2018, 12:30 – 14:00
Lunchtime Conference External Cooperation Infopoint

Introduction

- **Maria Rosa De Paolis**

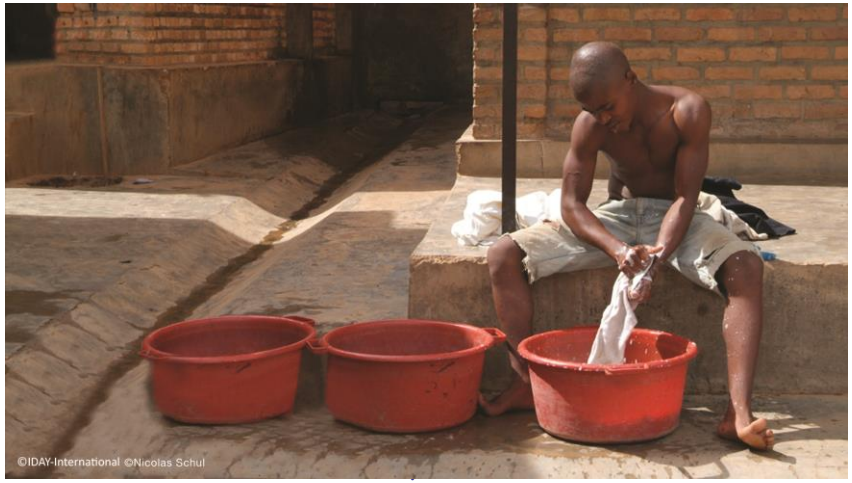
Policy Officer Employment & Social Inclusion,
DEVCO B3 - Migration, Employment

Presentation

- **Jean-Jacques Schul**

Chairman of IDAY

Conference language: English
Language Q&A session: English



A regional project in 5 African countries, co-funded by the EU and jointly implemented by 14 government and civil society organisations, interviewed 22 000 domestic workers and their employers.

Through advocacy campaigns governments agreed to legalize and integrate millions of domestic workers in government programmes in accordance with ILO Conventions.

The results of the independent evaluation and audit suggest innovative ways to design future development cooperation projects.

Rue de la Loi 43-45, Ground floor, Brussels - Registration required via
