(*) For the first communication, due by 1 March 2009, the headings of these columns should read as follows: quality wines psr/table wines with geographical indications/subtotal for quality wines psr and table wines with geographical indications/table wines (without geographical indications). Member States which cannot differentiate between the area under vines for the production of table wines with geographical indication and table wines without geographical indications at this time may send a single figure for all the table wines for the 2007/2008 wine year in their first communication and send an updated table by 31 December 2009 at the latest with the division between these two table wine categories.

(*) For the first communication, due by 1 March 2009, the headings of these columns should read as follows: quality wines psr/table wines with geographical indications/subtotal for quality wines psr and table wines with geographical indications/table wines (without geographical indications). Member States which cannot differentiate between the area under vines for the production of table wines with geographical indication and table wines without geographical indications at this time may send a single figure for all the table wines for the 2007/2008 wine year in their first communication and send an updated table by 31 December 2009 at the latest with the division between these two table wine categories.

Communication according to Article 109 of Regulation (EC) No 479/2008 and in Article 74 of Regulation (EC) No 555/2008.
