

Brussels 19.01.2010

SUMMARY RECORD

159TH MEETING OF THE MANAGEMENT COMMITTEE FOR THE COMMON ORGANISATION OF AGRICULTURAL MARKETS (HORIZONTAL QUESTIONS) OF 11TH OF JANUARY 2010

Chair: Ms SIRACUSA

26 MS were present; MT was absent.

- 1. DRAFT COMMISSION REGULATION AMENDING REGULATION (EC) No 1276/2008 ON THE MONITORING BY PHYSICAL CHECKS OF EXPORTS OF AGRICULTURAL PRODUCTS RECEIVING REFUNDS OR OTHER AMOUNTS AND REGULATION (EC) No 612/2009 ON LAYING DOWN COMMON DETAILED RULES FOR THE APPLICATION OF THE SYSTEM OF EXPORT REFUNDS ON AGRICULTURAL PRODUCTS (CODED CONTROL INFORMATION ON T5 CONTROL COPIES):**

It appears that the required control reports made by the customs offices of exit in the different linguistic versions and handwritings are difficult to read or understand by the authorities involved. It is therefore appropriate to simplify the procedures by replacing handwritten notes on T5 control copies by uniform digital codes.

- 2. SUMMARY OF MS ANNUAL REPORTS ON PHYSICAL CHECKS (APPLICATION OF REGULATION (EC) No 1276/2008): STATISTICS AND REMARKS:**

This annual report 2008 is the summary of the information contained in the national annual reports which the 27 Member States of the EU submitted to the Commission under Article 16 of Regulation (EC) No 1276/2008.

- 3. EXCHANGE OF VIEWS ON THE APPLICATION OF ARTICLE 17 OF REGULATION (EC) No 612/2009:**

Commission made some preliminary observations on certain proposals concerning additional proofs of arrival in case of electronic customs documents.

- 4. AOB:**

SMS (Specimen Management System):

Certain MS signalled problems to grant access to SMS to the license issuing authorities in Member States. COM will offer assistance.

ISAMM :

COM reminded the Member States that the use of ISAMM is going to be obligatory for the communications covered by the draft **Regulation amending certain Commission Regulations [(EC) No 2336/2003, (EC) No 341/2007, (EC) No 1580/2007, (EC) No 376/2008] on the form of the notifications to be sent to the Commission** from 1st of February 2010. Certain MS have not yet communicated the competent authorities and users for the form "Delivered import certificates for ethyl alcohol of agricultural origin". These MS are invited to communicate the missing information urgently. COM also explained that not all of the Regulations modifying notification obligations make ISAMM obligatory to use. In case the Commission wants to make ISAMM obligatory, a reference to the Regulation 792/2009 is made.
