SUMMARY RECORD

22ND MEETING OF THE MANAGEMENT COMMITTEE FOR THE COMMON ORGANISATION OF AGRICULTURAL MARKETS (HORIZONTAL QUESTIONS) OF 10 JUNE 2008

Chair: Ms SIRACUSA

24 delegations were present; Greece, Cyprus and Malta were absent.

1. Working document: Draft Commission Regulation laying down common rules for the granting of an aid for private storage for certain agricultural products:

Currently, the possibility of granting aid for private storage is laid down in the Council Regulations on the common organisation of the markets in certain products. These regulations are replaced by Council Regulation (EC) 1234/2007.

In order to simplify and improve the effectiveness of the management and control mechanisms, common rules should be laid down for the implementation of the private storage aid scheme.

2. A.O.B.:

Member States had been consulted via CIRCA on 30.5.2008 to endorse the Global Implementation Plan (GIP) for ISAMM. COM informed Member States that no objections had been received from MS. Consequently the GIP is considered as having been endorsed by MS.
