

Culture 2000 – Implementation 2003

1 Multi-annual cooperation project supported in the field of Literature, Books and Reading

1) Reseau europeen des centres et instituts en litterature de jeunesse

Project Dates : 1/10/2003 - 31/12/2005

Description : The network which was created in 2000 by the participating organisations is meant to be consolidated by this project. Planned activities: for writers and illustrators to tour Europe and meet the public, organisation of a conference as a starting point, development and circulation of an exhibition with the results from a competition for young illustrators, creation of a website for the network, organisation of "creative writing" workshops for young people, support of the work done by children's and youth literature museums.

Objectives: To transmit to the general public the exchanges and the results of research in the field of children's literature; contribute to the education of European citizens; promote children's literature, bring it closer to the general public by arranging meetings with authors and illustrators.
