Frieze Art Fair 2005/2006/2007: Artists' Projects and Talks Programme

Country: ROYAUME-UNI (UK)
ES-IE-NL-SE

Project Dates: 1/05/2005 - 31/01/2008

Description: The Frieze Fair aims to bring together the best in VA internationally, from artists and curators to critics and gallerists, in one place for five days. The fair will take place in a temporary structure in Regents Park. The Artists' projects includes commissioned works, a film and video programme and a schools' education day. The Talks Programme will take place in a specially constructed auditorium and will comprise of a series of panel discussions and key note lectures.

Objectives: The purpose of the event is to create a forum for international exchange of ideas and information relating to VA; to educate the public further about international contemporary art; to provide a place of exchange for artists, critics, curators, gallerists and students; to demonstrate the many different influences and elements that inform the art being made today.
