4.2 EU operating grants currently meet 80% of the running costs of selected European-level organisations (Ambassadors, Advocacy Networks, Structured dialogue platforms). Is 80% the most appropriate level for EU co-financing of European-level organisations?	No - the EU should fund more organisations at a lower level
4.3 EU operating grants currently provided to organisations in support of their running costs are subject to the principle of "degressivity", i.e. they are reduced each year. To what extent does degressivity present a problem for cultural operators?	To a moderate extent

4.5 Could you suggest any further specific ways to simplify the application process and the management of the new programme?	Des points réguliers devraient être mis en place entre le chargé de projet de la CE et les responsables du projet de l'organisation bénéficiaire. Des messages électroniques devraient être envoyés aux bénéficiaires les informant des mises à jours des rapports finaux narratifs et financiers.
4.6 How could the dissemination of the results of activities funded under the new programme be supported?	Des conférences régulières avec des responsables du programme Culture à Bruxelles devraient être mises en place au sein des Points Culture dans les pays éligibles.
4.7 Would you like to add anything else on the types of support within the new Culture Programme?	Il faudrait que les pays tiers soient inclus de manière systématique dans les appels à projets du programme "Culture" pour permettre de pérenniser les actions entreprises dans le cadre du Volet 1.3.
