Commission Legislative and Work Programme - Strategic Initiatives									
2008/JLS/021	Justice, liberté et sécurité	Proposal for a Directive of the European Parliament and of the Council amending Council Directive 2003/9/EC of 27 January 2003 laying down minimum standards for the reception of asylum seekers	JLS	3 décembre 2008	Traité instituant la Communauté européenne: Art 63 (1)(b)		O O	Programme législatif et de travail de la Commission / 2008 / Initiatives stratégiques The Reception Conditions Directive was designed to harmonise the laws of the Member States concerning the reception conditions applicable to asylum seekers so as to ensure them a dignified standard of living and comparative living conditions in all MSs, and contributing to the establishment of an EU-wide level playing field in the area of asylum and to reduce secondary movements.	
2008/JLS/022	Justice, liberté et sécurité	Proposal for a Regulation of the Council and the European Parliament amending Council Regulation 343/2003 of 18 February 2003 establishing the criteria and mechanisms for determining the Member State responsible for examining an asylum application lodged in one of the Member States by a third-country national	JLS	3 décembre 2008	Traité instituant la Communauté européenne: Art 63(1)(a)		O O	Programme législatif et de travail de la Commission / 2008 / Initiatives stratégiques The Dublin Regulation establishes criteria and mechanisms for determining the Member State responsible for examining an application for asylum lodged in the EU, the general idea being that each asylum application should be examined by one, but only one Member State. These rules were set up in order to avoid asylum shopping, where a third-country national goes to several states to seek asylum as well as to avoid the situation of 'asylum seekers in orbit', where all MS claim not being responsible for examining an asylum claim.	
Commission Legislative and Work Programme - Priority Initiatives									
2008/ENTR/003	Entreprises et industrie	Proposal for a DIRECTIVE of the European Parliament and of the Council amending, as regards pharmacovigilance, Directive 2001/83/EC on the Community code relating to medicinal products for human use Proposal for a REGULATION of the European Parliament and of the Council amending, as regards pharmacovigilance of medicinal products for human use, Regulation (EC) No 726/2004 laying down Community procedures for the authorisation and supervision of medicinal products for human and veterinary use and establishing a European Medicines Agency	ENTR	10 décembre 2008	Traité instituant la Communauté européenne: 95	codécision (COD)	X	Programme législatif et de travail de la Commission / 2008 / Initiatives prioritaires The objectives are to better protect public health by rationalising and strengthening EU pharmacovigilance (medicines safety monitoring and taking action to reduce risks from authorised medicines), to improve the functioning of the Internal Market and the safety oversight of pharmaceuticals that flow across the EU. Both the amending Regulation and the amending Directive will follow co-decision procedure and will be presented as a package.

It will be complemented with a Communication that will establish an action plan for closer cooperation between Member States to help maximise organ donation and equalise access to transplantation. The plan will identify common objectives for which it is agreed that a Community response is necessary, describe the actions, agreed quantitative and qualitative indicators and benchmarks and establish regular reporting	Yes
Simplification Rolling Programme										
2008/ENTR/012	Entreprises et industrie	Textiles: Replacement of 3 Directives by 1 Regulation	ENTR	4ème trimestre 2008	Traité instituant la Communauté européenne: art.95	codécision (COD)			Simplification Rolling Programme The replacement of 3 Directives by 1 Regulation will simplify procedures for Member States, companies and the Commission leading to shorter periods for adoption of new fibre names. The standard methods of quantitative analysis of binary and ternary textile fibre mixtures currently included in two of the directives are to be transferred to the standardisation process. This means that consumers and companies could benefit faster from the use of new innovative products. Innovation and technological developments will be thus encouraged. In addition, the legal nature of the legislation (Regulation) will facilitate the application of technical adaptations by the Member States	
Other initiatives										
2008/EMPL/012	Emploi, affaires sociales et égalité des chances	Revision of EP and Council Regulation (EC) 1927/2006 on establishing the European Globalisation adjustment Fund ("EGF") (if deemed necessary on the basis of the first annual implementation report to be presented by 1 July 2008	EMPL	16 décembre 2008	Traité instituant la Communauté européenne: Article 159(3)	codécision (COD)			Objective to ensure that the EU solidarity objective is met and that its provisions adequately take into account the economic, social and territorial characteristics of the Member States. LEGISLATIVE PROPOSALS / PROPOSITIONS LÉGISLATIVES

2006/ESTAT/013	Statistiques	Proposal for a Regulation of the European Parliament and of the Council on tourism statistics (replacing Council Directive 95/57/EC)	ESTAT	4ème trimestre 2008	Traité instituant la Communauté européenne: Article 285(1)	codécision (COD)			Council Directive on Tourism Statistics dates from the years 1994/1995, the related Commission Decision dates from the years 1997/1998. Since then, both the tourism market itself and the policy concerns relating to tourism have changed considerably. The enlargement of the European Union is having a further impact on both tourism and tourism policy. In addition to this, new statistical tools like the Tourism Satellite Account methodology have been introduced. As a result of these changes, the present legislation in the field of tourism statistics does no longer correspond fully to the need of the users of tourism statistics and thus needs to be critically reviewed with a view to adapting it to current expectations.
2008/JLS/144	Justice, liberté et sécurité	Proposal for a Regulation of the Council and the European Parliament amending Council Regulation 2725/2000 of 11 December 2000 concerning the establishment of 'Eurodac' for the comparison of fingerprints for the effective application of the Dublin Convention	JLS	3 décembre 2008	Traité instituant la Communauté européenne: Art 63(1)(a)	codécision (COD)	O	O	The application of the Dublin Regulation (ie. Council Regulation 343/2003/EC, replacing the Dublin Convention) is facilitated by the Eurodac Regulation (and its Implementing Regulation), a tool for registering and comparing the fingerprints of asylum seekers. The proposal intends to amend / clarify certain provisions of the current Regulation, in order to ensure coherency with the evolving asylum acquis, to make it more efficient and to solve certain problems of application.
2008/JLS+/130	Justice, liberté et sécurité Relations extérieures	Proposal for Council Decisions on signature and conclusion of short stay visa waiver agreements between the European Community and Antigua and Barbuda, Bahamas, Barbados, Mauritius, Seychelles, St Kitts and Nevis	JLS / RELEX	11 décembre 2008	Traité instituant la Communauté européenne: Article 62(2)(b)(i)	consultation (CNS)			Follow up of Regulation No 1932/2006 which made the visa exemption of the nationals of 6 States conditional on a bilateral agreement to be concluded by EC and each of the states concerned.
2008/JLS/298	Justice, liberté et sécurité	Legislative proposal for a Council Regulation on negotiation and conclusion of agreements between Member States and third countries covering jurisdiction, recognition and enforcement of judgments and decisions in matters relating to family law, including maintenance obligations, and applicable law in matters relating to maintenance obligations	JLS	15 décembre 2008	Traité instituant la Communauté européenne: 61(c), 67(2) and 67(5)	consultation (CNS)	X		Following the adoption of Community instruments providing for the internal rules in the areas of civil justice, the Community acquired exclusive external competence in the same area. Therefore the MSs cannot conclude agreements with third countries without a specific EC authorisation. The aim of the proposal is to establish a system that allows the Member States to negotiate and conclude agreements with third countries in the field of family law which fall under the exclusive competence of the Community, while striking a balance between respect for the integrity of Community competence and sufficient flexibility to enable the Member States to develop relations with third countries under certain clearly defined conditions.
2008/JLS+/313	Justice, liberté et sécurité Transports	Proposal for a Council Decision on the signing by the European Community of the Protocol to the Convention on international interests in mobile equipment on matters specific to railway rolling stock, adopted in Luxembourg on 23 February 2007	JLS / TREN	15 décembre 2008	Traité instituant la Communauté européenne: Articles 61(c) and 300 EC				Following the revised proposal for the conclusion by the Community of the Convention and its Aircraft Proposal - to be adopted by the Commission in July 2008 - this new proposal aims at allowing the Community to sign the Rail Protocol
2008/JLS/360	Justice, liberté et sécurité	<i>Legislative proposal for a Regulation of the European Parliament and of the Council on negotiation and conclusion of agreements between Member States and third countries concerning sectoral matters and covering applicable law in civil and commercial matters</i>	JLS	15 décembre 2008	<i>Traité instituant la Communauté européenne: 61(c) and 67</i>	codécision (COD)	X		Following the adoption of Community instruments providing for the internal rules in the areas of civil justice, the Community acquired exclusive external competence in the same area. Therefore the MS cannot conclude agreements with 3rd countries without a specific EC authorisation. To establish a system that allows the MS to negotiate and conclude agreements with third countries in the field of applicable law to contractual and non-contractual obligations which fall under the exclusive competence of the Community, while striking a balance between respect for the integrity of Community competence and sufficient flexibility to enable the MS to develop relations with third countries under certain clearly defined conditions.
