Questions relating to the open tender procedure concerning

“Study on the application of measures concerning the promotion of the distribution and production of European works in audiovisual media services (i.e. including television programmes and non linear services)”— SMART 2007-0001

Deadline to submit the offers: 31.08.2007

(Questions and answers are presented in original linguistic version)

Questions

1. In Chapter “Financial Section” (page 14) of the Technical Specifications, the Commission requests that the price is broken down in 3 categories: 1- professional fees, 2 – travel and subsistence, 3 – other costs? Which categories of “other costs” are eligible under this 3?

European Commission’s answer:

According to Item 4.2 Price of Part 2 (Administrative details) of the Tender Specifications, the price must be broken down in following categories:

- a) Professional fees
- b) Travel and Subsistence Costs
- c) Other costs (e.g. Workshop)

The type of costs included in the price offer must fall within the scope of the Tender Specifications.
