* Comparative rating refers to rating classification applied by the Consultants for analytical purposes

n/a not applicable - the Consultants have found no evidence that the feature film has been distributed in that territory via that medium to date

() The rating in parenthesis is the assumed rating according to the consultant's knowledge of the individual Member States' national legislation

A - Indicates that the feature film would be subject to watershed guidelines in the individual territory due to material contained, which is considered unsuitable for minors.

B - Indicates that the TV channels implement a visual signal

C - Indicates that the TV channels implement a tonal signal

D - Indicates that the TV channels implement the theatrical rating the feature film received

IP - Indicates an internet page affiliated with the feature film

VG - Indicates a video game affiliated with the feature film
