On the occasion of the European Sustainable Energy Week, Günther Oettinger, Member of the EC in charge of Energy, fired the starting shot for a race of energy-labelled fridges, demonstrating the benefits of energy efficiency. The European Sustainable Energy Week took place in Brussels and across Europe from Monday 11 to Friday 15 April with this year's theme being "Smart Energy for a Sustainable Future".

TIME	DESCRIPTION	DURATION
00:00:00	Title	00:00:05
00:00:05	Energy-labelled fridges in place for the race (3 shots)	00:00:12
00:00:17	Arrival of Günther Oettinger, Member of the EC in charge of Energy, at the race of energy-labelled fridges (2 shots)	00:00:09
00:00:27	Soundbite by Günther Oettinger (in ENGLISH): If you take the new fridge, the new generation, A+++ and to compare it with maybe B, you need only a third of energy from this generation to the other; and so you maybe wait for two or three years and you have benefit for your own pocket, for your own budget.	00:00:22
00:00:49	Günther Oettinger waving flag and race starting (3 shots)	00:00:34
00:01:23	Günther Oettinger awarding the winners of the energy efficiency fridges race (5 shots)	00:00:44
00:02:08	Soundbite by Günther Oettinger (in ENGLISH): I am very happy because A+++ is a label of the European Commission and so it is our interest and it is a benefit for everybody.	00:00:12
