

EU : Telecommunications - 2012

Type: [Stockshots \[long\]](#) Référence: [I072544](#) Durée: 16:21 Lieu: [Luxembourg](#) | [Brussels](#) | [Malines](#) | [Ciney - Techno.bel](#)

This video stockshot relating to telecommunications includes pictures of: - Satellite dishes (SES, Luxembourg); - Telecommunications training centre (Techno.bel, Ciney, Belgium); - Installing fibre optic cables (Mechelen, Belgium); - Using smart devices (Brussels, Belgium).

HEURE	DESCRIPTION	DUREE
00:00:00	Credits and title	00:00:20
00:00:20	1. SATELLITE DISHES (SES - LUXEMBOURG)	00:02:08
00:00:20	TitleSES is one of the leaders in the area of satellite operators. There are approximately 50 geostationary satellite dishes in their satellite park and all are managed from their offices in Luxembourg.	00:00:05
00:00:25	General view of the SES satellite dish park	00:00:05
00:00:30	Close up shots of satellite dishes (16 shots)	00:01:38
00:02:08	General views of the SES satellite dish park (4 shots)	00:00:20
00:02:28	2. TELECOMUNICATION TRAINING CENTRE (CINEY, BELGIUM)	00:06:00

00:02:28	Title Techno.bel, which was created in 2001, is a Centre of Competence dedicated to Information and Communication Technology.	00:00:05
00:02:33	Close up of a router	00:00:16
00:02:49	Close up shots of a technician connecting various cables to a router (2 shots)	00:00:14
00:03:04	Close up shots of cables which connect the routers (3 shots)	00:00:26
00:03:30	Close up shots of hard discs (3 shots)	00:00:28
00:03:58	Students who have followed training courses on telecommunication systems networks manipulating fibre optic cables (8 shots)	00:00:43
00:04:41	Close up shot of a network cable	00:00:06
00:04:48	Students checking that cables are correctly connected (5 shots)	00:00:54
00:05:41	Network cables (4 shots)	00:00:21
00:06:02	Student connecting network cables (4 shots)	00:00:33
00:06:36	Arrival of Techno.bel training centre car at the centre (2 shots)	00:00:14
00:06:50	Panel showing regional and European funding	00:00:06
00:06:55	Entrance to the Techno.bel training centre	00:00:05
00:07:00	Trainer transporting a portable computer	00:00:07
00:07:07	General shot of the training centre room	00:00:08

00:07:16	Student connecting a network cable	00:00:16
00:07:31	Close up shots of the back of a connected router (2 shots)	00:00:13
00:07:45	Close up shot of a trainer	00:00:06
00:07:50	Computer screen	00:00:08
00:07:58	Trainer and student	00:00:07
00:08:05	Computer screen	00:00:08
00:08:13	Training session (2 shots)	00:00:14
00:08:27	Title	00:00:05
00:08:27	3. FIBRE OPTIC CABLES INSTALLATION (MECHELEN, BELGIUM)	00:04:42
00:08:32	General shot of underground parking lot where optical cables will be installed	00:00:05
00:08:38	Close up of a roll of fibre optic cables	00:00:04
00:08:41	Workers unrolling fibre optic cables (6 shots)	00:00:49
00:09:30	Close up shot of fibre optic cables in a metallic protective sheath	00:00:04
00:09:34	Workers unrolling fibre optic cables (9 shots)	00:00:52
00:10:26	Workers removing fibre optic cables from the metallic sheath	00:00:08
00:10:34	Workers passing fibre optic cables through a wall (5 shots)	00:00:23
00:10:57	Worker, on a ladder, installing a cable (3 shots)	00:00:37
00:11:34	Exterior of the workers' van (2 shots)	00:00:13

00:11:48	Fibre optic cables seen from the van	00:00:05
00:11:52	Worker putting in place a fibre optic cable before beginning soldering (4 shots)	00:00:26
00:12:18	Machine in which fibre optics are placed (2 shots)	00:00:16
00:12:34	Fiber optics	00:00:05
00:12:39	Worker carrying out tests to check that fibre optics work correctly (5 shots)	00:00:30
00:13:09	Title	00:00:05
00:13:09	4. SMART DEVICES	00:03:10
00:13:14	Student sitting in front of his iPad (2 shots)	00:00:21
00:13:35	Student browsing on his iPad	00:00:09
00:13:45	Reading a book on his iPad (2 shots)	00:00:15
00:14:00	Receiving a call on his iPhone	00:00:12
00:14:11	Browsing on the iPad (2 shots)	00:00:34
00:14:46	Selecting and listening to music on his smartphone (4 shots)	00:00:27
00:15:12	Leaving his apartment and taking a photo of a motorbike with a smartphone	00:00:12
00:15:25	Close up of smartphone taking a photo (2 shots)	00:00:09
00:15:33	Photo of a motorbike on a smartphone and sending photo by email	00:00:11
00:15:44	Student playing with his iPad (2 shots)	00:00:28
