Declaration concerning the support in kind received by Gov2u

Fraternité 2020 (F2020) is receiving support in kind from *Government to You* (Gov2u), a Non-Governmental Organization registered in the Kingdom of Belgium, with regard to its homepage based on a *Memorandum of Understanding* (MoU) signed on September 5, 2012. Gov2u is helping us to put new language versions online once they have been translated by volunteers. Similarly, they help us to add new supporting citizens, NGOs, and MEPs. Finally, they help us with individual improvements of our homepage.

In accordance with the MoU, Gov2u is assembling a list of how many hours they have spent working on our homepage. Each hour is converted at a rate of 45 EUR, which is the rate Gov2u would charge any other organization for the same services. Gov2u has notified F2020 once it has spent 12 hours working on our homepage and has thus surpassed the 500 EUR threshold, which has happened on October 15, 2012. Henceforth, this value shall be updated every 10 hours or every month, whichever is earlier.

F2020 always welcomes financial and/or support in kind to run a successful campaign for EU exchange programmes and a united Europe based on solidarity among its citizens. To donate please go here: <http://en.fraternite2020.eu/donations.html>
