

Aircraft operators that are potentially eligible for tonne km monitoring in 2012 and application for free allowances in 2013 in relation to Croatia's accession to the EU.

The tonne-km data monitoring related to Croatian accession to the EU is not limited to the operators listed in the tables.

Data Source: Eurocontrol

Table 1. Aircraft operators likely to become the participants of EU ETS due to the accession of Croatia to the EU.

Operator ID	Operator name	ICAO State of Registration	State of Administration
8583	HELISWISS	SWITZERLAND	CROATIA

Table 2. Aircraft operators, which are participants of the EU ETS and which performed in 2010 flights within Croatia and between the Croatia and third countries.

Operator ID	Operator name	ICAO State of Registration	State of Administration
