White Paper - "Damages Actions for Breach of the EC Antitrust Rules"

Næringslivets Hovedorganisasjon (Confederation of Norwegian Enterprise) is the main representative body for Norwegian employers with a current membership of over 18,500 companies ranging from small family-owned businesses to multinational companies.

Næringslivets Hovedorganisasjon is a member federation of BusinessEurope, and has participated in the drafting of its position paper of 1 July, which thus covers our comments on the White Paper on damages actions for breach of the EC Antitrust rules.

Yours Sincerely,
CONFEDERATION OF NORWEGIAN ENTERPRISE (NHO)
