Contribution to the public consultation on the revised draft of the Horizontal Guidelines.

Dear Sirs, Madams,

The Dutch Association of Insurers is pleased to have the opportunity to comment on the European Commission's revised draft of the Horizontal Guidelines.

Our association represents (the interests of) private insurance companies operating in the Netherlands. The association's members represent more than 95 percent of the private insurance market expressed in terms of gross premium income. The Association is an independent organisation managed and financed by its members.

We contributed to the input over the European insurance and reinsurance federation (CEA) on the revised draft. CEA's paper is fully in line with our comments. We therefore would like to refer to this document.

With kind regards,

H.L. De Boer
