## **COMP/M. 5301 – Capgemini/BAS**

### **SECTION 1.2**

#### **Description of the concentration**

Capgemini intends to acquire the entire issued and outstanding share capital of BAS, resulting in the acquisition of sole control within the meaning of Article 3(1)(b) of Council Regulation (EC) No 139/2004 of 20 January 2004 on the control of concentrations between undertakings.

Capgemini is active worldwide, through various companies, in consulting and information services. Capgemini is organized around four core areas of activity: (i) Consulting Services; (ii) Technology Services; (iii) Outsourcing Services and (iv) Local Professional Services. Capgemini provides its Local Professional Services through its subsidiary Sogeti.

BAS is active in the Netherlands. The company provides application life cycle management, including controlled migration, application management, testing, development, integration, implementation projects, project management and consulting. The activities are divided into three main divisions: (i) Customer Application Management (“**CAM**”); (ii) Application Services and Projects (“**ASP**”); and (iii) Application Professional Services and Consulting (“**APSC**”).
