**M.7579 - ROYAL DUTCH SHELL / KEELE OY / AVIATION FUEL SERVICES  
NORWAY**

**SECTION 1.2**

**Description of the concentration**

1. Shell Exploration and Production Holdings B.V. and Aviation Fuelling Service Norway AS are both part of the Shell group of companies, the ultimate parent entity of which is Royal Dutch Shell Plc which is incorporated in England and Wales.
2. Stl is a privately owned Finnish energy company composed of two business groups; Stl Nordic Oy which focuses on fuel marketing activities and renewable energy solutions; and Stl Group Oy which focuses on refinery operations. Stl has activities in Finland, Sweden and Norway.
3. The notification concerns the proposed acquisition of joint control over Aviation Fuelling Service Norway by Stl Group Oy through the acquisition of 50% of the shares in Norwegian Fuelling Service from Shell Exploration and Production Holdings B.V. This transaction leads to the creation of a full-function joint venture covering Shell's current activities in aviation fuels marketing in Norway.
