

## Broadband Guidelines

The Commission applies the "EU Guidelines for the application of State aid rules in relation to the rapid deployment of broadband networks" for the assessment of state aid to broadband measures. The document is available [here](#).

## Commission decisions on State aid to broadband

Please note that the decision texts (authentic and working language versions) can be found with the help of the [case search tool](#).

(\*) **Commission decisions:** the Commission issues the following types of decisions – as defined in the Council Regulation (EC) No 659/1999 of 22 March 1999 laying down detailed rules for the application of Article 93 of the EC Treaty (*Official Journal L 83, 27.03.1999, pages 1-9*), (see [http://ec.europa.eu/comm/competition/state\\_aid/legislation/rules.html](http://ec.europa.eu/comm/competition/state_aid/legislation/rules.html))

After a preliminary examination (phase I decisions):

1. **decision that a measure does not constitute aid** - where the Commission, after a preliminary examination, finds that the notified measure does not constitute aid - **art. 4(2)**
2. **decision not to raise objections** - where the Commission, after a preliminary examination, finds that no doubts are raised as to the compatibility with the common market of a notified measure, in so far as it falls within the scope of Article 87(1) of the Treaty - **art. 4(3)**
3. **decision to initiate the formal investigation procedure** - where the Commission, after a preliminary examination, finds that doubts are raised as to the compatibility with the common market of a measure - **art. 4(4)**

After a formal investigation procedure (phase II decisions):

1. **decision that a measure does not constitute aid (after formal investigation procedure)** - where the Commission, after formal investigation procedure, finds that, where appropriate following modification by the Member State concerned, the notified measure does not constitute aid -**art. 7(2)**
2. **positive decision** - where the Commission, after formal investigation procedure, finds that, where appropriate following modification by the Member State concerned, the doubts as to the compatibility of the notified measure with the common market have been removed - **art. 7(3)**
3. **conditional decision** - where the Commission attached to a positive decision conditions subject to which an aid may be considered compatible with the common market or laid down monitoring obligations - **art. 7(4)**
4. **negative decision without recovery** - where the Commission finds that the aid is not compatible with the common market and shall not be put into effect - **art. 7(5)**
5. **negative decision with recovery** - where the Commission finds that the aid is not compatible with the common market and, as it was unlawful aid, the Commission decides that the Member State concerned shall take all necessary measures to recover the aid from the beneficiary - **art. 7(5) with art. 14(1)**
6. **decision to close formal investigation procedure following the withdrawal of notification** – **art. 8(2)**

Other types of decisions:

1. **revocation of decision** - where the Commission decides to revoke its previous decision due to the fact it was based on incorrect information provided during the procedure which was a determining factor for the decision– **art. 9**

2. **information injunction** – where the Commission requires the Member State to provide the information on alleged unlawful aid in a situation in which the Member State despite a reminder did not provide the information previously requested or provided incomplete information - **art. 10(3)**
