

Annex 3 Survey of European business associations and federations

The survey questionnaire that was used in the survey is presented first. Next, we present the responses that we received.

Overall, it would appear that very few European business organisations collect and compile independently data on production, capacity, sales, employment, etc. on a pan-European scale.

LONDON ECONOMICS DATA SURVEY FOR
EC PROJECT ON THE DEVELOPMENT OF A METHODOLOGY FOR THE
NEW MULTISECTORAL FRAMEWORK ON REGIONAL AID FOR LARGE
INVESTMENT PROJECTS

Does your Organisation collect and produce data on the following industry variables?

1. Production in value:

At EU level: Yes No.

 If the response is yes, data are available since

At EEA level: Yes No.

 If the response is yes, data are available since

2. Production in volume:

At EU level: Yes No.

 If the response is yes, data are available since

At EEA level: Yes No.

 If the response is yes, data are available since

3. Capacity:

At EU level: Yes No.

 If the response is yes, data are available since

At EEA level: Yes No.

 If the response is yes, data are available since

4. Capacity utilisation rate:

At EU level: Yes No.

 If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since

5. Employment:

At EU level: Yes No.

If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since

6. Investment:

At EU level: Yes No.

If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since

7. Profitability:

At EU level: Yes No.

If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since

8. R&D spending:

At EU level: Yes No.

If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since

9. Total demand in value:

At EU level: Yes No.

If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since

10. Total demand in volume:

At EU level: Yes No.

If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since

11. Total European demand in value

At EU level: Yes No.

If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since

12. Total European demand in volume

At EU level: Yes No.

If the response is yes, data are available since

At EEA level: Yes No.

If the response is yes, data are available since
