Subject: Request for additional information related to the Open Call for Tenders "organisation of the Commission's participation in fairs and events". Tender N° 2010/S 94-140252

Dear Madam, Dear Sir,

Please find enclosed the answer of the European Commission to the question raised by a potential tenderer.

In view of improving the quality of the tenders and to ensure that all additional information is evenly distributed amongst the participants in the tendering process, this letter will be made available to all interested parties.

QUESTION :

There isn't any other version available apart from English although it is said in the Official Journal - in which the contract notice was published - that the project may be submitted in the language of their choice.

ANSWER :

Given the technicality of their contents, the contract notice's documents exist only in English. However the candidates may draw up tenders or requests to participate in one of the languages listed in article IV.3.6 of the contract notice.

Please note that all the information, questions or observations of all nature which are in this note, do not engage the Commission in any way. Such engagement may only occur after the completion of the corresponding market procedure, by signature of the contract.

Yours faithfully,

Hans-Erwin BARTH,
Head of Unit
