### NOTICE OF CALL FOR PROPOSALS WITH A VIEW TO OBTAINING GRANTS FOR ACTIONS IN THE FIELD OF URBAN MOBILITY

#### Call for proposals TREN/SUB 02-2008

**1. *Where can I obtain information on other EU initiatives on Urban Mobility?***

On the European Commission's "Transport" website<sup>1</sup>, in particular on the "Clean Urban Transport" section, that includes also information on EU funded initiatives such as CIVITAS<sup>2</sup> and ELTIS<sup>3</sup>, which have helped to develop and spread a wealth of innovative solutions and approaches in urban mobility over the past years.

**2. *What is meant by the criterion "European dimension of the project" (point 9.1. of the notice of the call for proposals)?***

The aim is to give grants to actions which provide a real added-value at the EU level. This means that results should of widespread interest and transferable to other cities across the EU. In addition, a communication strategy should be developed that targets all interested European stakeholders.

**3. *What is meant by the criterion "innovative character" "(point 9.1. of the notice of the call for proposals)?***

Proposers should demonstrate in their proposals their knowledge of the state of the art. The proposed actions should concern solutions not yet broadly applied at EU level or in the proposers' specific circumstances and/or innovative applications of leading edge technologies or measures.
