Question

We are interested, if possible, receiving the "Responses of national competent authorities to a questionnaire on the application of Directive 77/249/EEC and Directive 98/5/EC will be made available to the contractor" offered at point no. 6.

Answer

The requested document is not available for tenderers as the responses will not be received and processed by the deadline of the submission. However, the selected contractor will have access to this document before the execution of the tasks.
