

JRC Workshop on Scientific Technical Reference System on Renewable Energy & Use Efficiency:

ENERGY EFFICIENCY IN BUILDINGS: POLICIES AND FINANCIAL INSTRUMENTS

Hotel LEV
Hotel Lev d.d. , Vošnjakova 1, SI – 1000
Ljubljana, 3-5 June 2008

Workshop Agenda

Tuesday, 3rd June 2008

Session 1: Policies

Chairman: Paolo BERTOLDI, European Commission Joint Research Centre, Institute for Energy

13:30 Registration

14:00 Welcome from the European Commission, introduction to the workshop, and overview of most recent energy efficiency policy developments in the European Union.
Paolo BERTOLDI, European Commission Joint Research Centre, Institute for Energy

14:20 Key-note speech
Minister Žiga TURK, Government Office of Growth of the Republic of SLOVENIA

14:50 Effective Policies for the Building Sector
Mark HOPKINS, The UN Foundation, USA

15:10 The results of the IPPC IV Assessment report: energy efficiency in buildings
Diana URGE VORSATZ, Central European University, HUNGARY

15:30 Coffee Break

16:00 Saving potential in buildings in New Member States and Candidate Countries
Wolfgang EICHHAMMER, Fraunhofer Institute, GERMANY

16:20 Odysse Indicators for the building sector in New Member States
Bruno LAPILLONE, Enerdata, FRANCE

16:40 Overview of the implementation of the EPBD in new Member States
Andrew WARREN, Euro ACE

17:00 Ecofys studies on building saving potential
Randall BOWIE, Rockwool International / EURIMA

17:20 Latest results of the EL-TERTIARY Project
Stefan PLESSER, Institute of Building Services and Energy Design (IGS), GERMANY

18:00 End of day 1

Wednesday 4th June 2008

Session 2: National policies for buildings

Chairman: Bogdan ATANASIU, European Commission Joint Research Centre, Institute for Energy

Overview of ESD National Energy Efficiency Action Plans with special focus on policies and measures for residential buildings, financial schemes, EPBD implementation and ESCOs.
Short presentations by New Member States (EU-12)

09:00 *Tomaz FATUR, Jozef Stefan Institute, SLOVENIA*

09:20 *Tsvetelina MIHAILOVA, Ministry of Economy and Energy, BULGARIA*
Kolio KOLEV, Energy Efficiency Agency, BULGARIA

09:40 *Corneliu ROTARU, Romanian Agency for Energy Conservation-ARCE, ROMANIA*

Stela PETRESCU, Ministry of Development, Public works and Buildings, ROMANIA

10:00 *Marta MAZURKIEWICZ, Polish National Energy Conservation Agency-KAPE, POLAND*

10:20 *Tamas CSOKNYAI, Ministry for Environment and Water, HUNGARY*

10:40 *Pavel STARINSKY, Slovak Innovation and Energy Agency-SIEA, SLOVAK REPUBLIC*

11:00 Coffee Break

11:30 *Inguna OZOLINA, State Agency „Building, Energy and Housing Agency”, LATVIA
Dagnija BLUMBERGA, Faculty of Power and Electrical Engineering, LATVIA*

11:50 *Lauri SUU, KredEx, ESTONIA*

12:10 *Romualdas SKEMA, Lithuanian Energy Institute, LITHUANIA
Rimantas SEVASTIJANCIUKAS, Energy Agency, LITHUANIA*

12:30 *Robert GHIRLANDO, University of Malta, MALTA*

12:50 *Constantinos XICHILOS, Ministry Of Commerce, CYPRUS*

13:10 Lunch break

Session 3: Programmes and Financial schemes for residential buildings

Chairman: Randall BOWIE, Rockwool International / EURIMA

14:50 *The role of EBRD in financing energy efficiency
Stefania RACOLTA, EBRD*

15:10 *CEB's longstanding experience in connection with the financing of energy efficiency projects
in the context of sustainable development throughout our member countries
Matthias BAUER, CEB*

15:30 *UN ECE EE21 project: recent developments and specific opportunities for investments on
energy efficiency in buildings
Olga CHEPELIANSKAIA, UN ECE*

15:50 *Commercializing Energy Efficiency Finance in the housing sector
Tibor KLUDOVACZ, International Finance Corporation, CEEF Program Office, HUNGARY*

16:10 Coffee break

16:40 *Affordable financing for buildings for energy efficiency and renewable energy projects in CEE
Anikó DOBI-RÓZSA, D.V.D., HUNGARY*

17:00 *REC project on financing energy efficiency in buildings
Judit BALINT, REC, HUNGARY*

17:20 *Bulgarian Energy Efficiency Fund in the light of EE financing in buildings and ESCO financing
in Buildings
Ivan GERGINOV, BGEEF, BULGARIA*

17:40 *General discussions on financing energy efficiency in buildings*

18:00 End of day 2

Thursday 5th June 2008

Session 4: Building policies, equipment and appliances

Chairman: Tomaz FATUR, Institute Josef Stefan, SLOVENIA

- 09:00 Results from the WBCSD/EEB project
Christian KORNEVALL, World Business Council for Sustainable Development (WBCSD)
- 09:20 The IEE ECOLISH and the CONCERTOII REMINING-lowex projects
Peter OP 'T VELD, Cauberg-Huygen Consulting Engineers BV, THE NETHERLANDS
- 09:40 The IEE INOFIN Project
Georg WAGENER-LOHSE, CEBra-Centre for Energy Technology Brandenburg GmbH, GERMANY
- 10:00 Latest appliances market results
Matilde SOREGAROLI, GFK, ITALY
- 10:20 Coffee break**
- 10:50 GreenBuilding and GreenLight Programmes
Michaela VALENTOVA, Prague Technical University, CZECH REPUBLIC
- 11:10 Designing an energy efficiency commercial building; practical solutions from a GreenBuilding awarded company
Bojan GAVEZ, MENERGA, SLOVENIA
- 11:30 ENERLIN Project: Residential Lighting and CFL Market in New EU Member States
Violetta GROSEVA, Sofia Energy Centre, BULGARIA
- 11:50 Final discussions, workshop recommendations
- 12:30 End of the workshop**
-
