Around the World - chapter image

Digital Agenda challenges to be met both at EU and at global level

The Digital Agenda Actions have different scope and impact in geographical terms:

- Member States contribute to the accomplishment of the [overall targets](#) [2]; they are the same time directly responsible for the [implementation of 23 actions](#) [3]
- EU cooperates with many countries and international organisations to represent Europe's interests and actively promote the benefits of the Digital Agenda actions to all people.
