## Video presentation of the Quart de Poblet pilot of the Diego project (Highly scalable deployment model of inclusive e-government)

Published by Editor Connect on 16/01/2012

DIEGO platform improves the citizens' quality of life by making administration electronic services easier for ALL citizens, with special attention to the elderly, people with disabilities or people with poor IT skills. The project is partially funded under the ICT Policy Support Programme (ICT PSP) as part of the Competitiveness and Innovation Framework Programme.
