ICT Call 11 Information Day

Published by Editor Connect on 14/12/2012

The next call for proposals of technology-enhanced learning research projects is ICT Call 11 closes on 16 April 2013. The European Commission is organising this Information day specifically dedicated to the technology-enhanced learning work programme. This event is intended for stakeholders interested in submitting research project proposals. It aims to help participants understand the work programme and criteria for the evaluation of proposals, facilitate the sharing of ideas and experiences, and meet potential partners for project consortia.
