

A vision for public services

Last edited by Newsroom Editor on Mon, 14 Oct 2013 14:06:45

The aim is to outline the long-term vision for a modern and open public sector and the way public services may be delivered in an open government setting.

Venue:

Speaker:

The Public Services unit in DG CONNECT has drafted "A vision for public services" with the aim of outlining the long-term vision for a modern and open public sector and the way public services may be delivered in an open government setting (enabled by ICT), i.e. how public services may be created and delivered seamlessly to any citizen and business at any moment of time.

Feedback/ comments are welcome to the 'Public Services' unit in DG CONNECT (European Commission): Cnect-egovernment@ec.europa.eu [1]
