Palante midterm conference: Addressing eHealth innovation challenges - empowering patients

Published by Newsroom Editor on 22/10/2013

The Palante midterm conference will take place on November 6th 2013 at the Committee of the Regions in Brussels. Purpose: to share lessons around the implementation of eHealth pilots, including the active involvement and roles of patients and health professionals. In terms of its focus it will be a working conference aimed at learning through exchange.
