Date:

31/01/2014

Venue:

Albert Borschette Building, Rue Froissart 36, 1040 Brussels, 31/01/2014

During the event the participants were given a general presentation in the morning on the programme and its instruments followed by four parallel sessions. Future Internet topics were introduced within the LEIT work programme 2014 – 2015.

The parallel sessions in the afternoon were dedicated to networking and opened the stage for participants to present their visions and ideas for research and innovation actions.
