European Data Forum 2014

Published by Newsroom Editor on 05/02/2014

The European Data Forum (EDF) is the annual meeting-point for data practitioners from industry, research, the public-sector and the community, to discuss the opportunities and challenges of the emerging Big Data economy in Europe.

Share this

Date:

From 19/03/2014 to 20/03/2014

Venue:

Athens, Greece

Speaker:

The 2014 edition of the European Data Forum (EDF2014) is taking place on 19-20 March 2014 in Athens, Greece.

To follow the Forum via internet click here ([live video stream](#) [1])

We have prepared an interesting [programme](#) [2] featuring Commission Vice-President Kroes and distinguished Greek government speakers.

Click [here](#) [3] to read the press release with **Neelie KROES** (Vice-President of the European Commission responsible for the Digital Agenda) addressing the audience of the EDF 2014.

Thematic sessions will include talks on:

- Big Data best practice
- Open data strategies and use cases
- Data & language technologies
- Business models around data
- strategic research & innovation choices
- EU funding under the H2020 programme

Registration for the EDF2014 is closed. A very limited number of seats is still available: for more information click [here](#) [4].

The (EDF2014) is a free community event - there is no admission fee for participants.

Call for Exhibits (CfE) still open until 14th of February 2014 - more information click [here](#) [5].
