Date:

04/04/2014

Venue:

Brussels, Belgium

Speaker:

PREservation FORMAts for culture information/e-archives - **PREFORMA** project will organise an Info Day to present the call for tender to be launched as part of the pre-commercial procurement.

The main objective of the pre-commercial-procurement is the development and deployment of an open source software licensed reference implementation for file format standards aimed for any memory institution (or other organisation with a preservation task) wishing to check conformance with a specific standard.

Participation is open to everybody who is interested to participate to the call and to become a PREFORMA supplier but it is subject to registration.

For the **Agenda** and the **Registration** link please consult the [page of the event](#) [2].

More information about the **call** could be found [HERE](#) [3]
