IX – Budget Overview 2011

BUDGET ESTIMATES FOR THE ACTIVITIES FOR WHICH A GRANT IS REQUESTED

The budget estimates must be detailed in balance⁸ and presented in Euros, exclusive of VAT unless the applicant can demonstrate that VAT cannot be recovered. The applicant certifies that the costs given below are necessary and exclusively related to the implementation of the action.

A — ELIGIBLE COSTS ⁹	Work package 1 €	Work package 2 €	Work package 3 €	Work package 4 €	Work package 5 €	Work package 6 €	Work package 7 €	TOTAL
A.1) costs of the staff assigned to the action ¹⁰ Category 1 ¹¹ Category 2 Category 3 Category 4								
A.2) travel and subsistence costs for the staff involved in the action								
A.3) purchase cost of equipment ¹²								
A.4) costs of consumables and supplies								
A.5) costs entailed by other implementation contracts								
A.6) any other direct costs ¹³								
A.7) indirect costs of implementation ¹⁴								

⁸ Subject to possible changes in exchange rates.

⁹ Refer to the call for proposals for rules on cost eligibility.

¹⁰ Staff costs must correspond to real costs including social security contributions and other statutory wage costs. A statement must be provided detailing the qualifications of each staff member concerned, the corresponding unit cost and the number of days/months of work scheduled. Particular attention should be given to the costs of the permanent staff of public administrations. Following the 2007 revision of the detailed rules for the implementation of the Financial Regulation [Article 172a(2)(e)], salary costs of the staff of national administrations are considered eligible where they correspond to the cost of activities that the public authority concerned would not carry out if the project in question were not undertaken. On the other hand, defrayal by the Community of salary costs corresponding to activities that the public authority was already carrying out before the project was launched would generate a profit for the beneficiary, as these costs are already borne by the budgets of the state (or regional or local authorities) in the context of their ordinary activities.

¹¹ Staff: Category 1: Senior staff (inc. project managers); Category 2: Junior staff (inc. policy officer, project assistant etc); Category 3: Clerical staff; Category 4: Technical /Financial staff

¹² Equipment must be written off in accordance with the tax and accounting rules which apply to the applicants. Only the portion of the equipment's depreciation corresponding to the duration of the action is eligible.

¹³ This heading may include costs arising directly from requirements imposed by the Commission (dissemination of information, specific evaluations, audits, translations, reproduction, costs of financial guarantees or of opening a specific account, etc.).

¹⁴ [This figure may be determined on the basis of a flat-rate sum fixed at not more than 7% of total eligible costs, unless the call for proposals provides otherwise; not eligible if the applicant is already receiving an operating grant from the Commission during the reference period.]
