<p>MY STORY</p>	<p>TSIGEREDA ASFAW, STUDIED IN ESTONIA, ITALY AND NORWAY</p>  <p>"European educational experience in three different countries with a good quality of education; it is amazing! I studied on the "International Masters in Digital Libraries (DILL)" in Norway, Estonia and Italy. In addition to that, my course offered me an opportunity to follow an internship in Switzerland, a fourth country. Those two years were one of my most memorable life experiences, and studying with classmates from 18 different nations enriched my perspective towards the world. I would really like to encourage Ethiopian as well as African students to consider the Erasmus Mundus programme and to use this opportunity to come face to face with the academic and cultural diversity of Europe."</p>
