<p>MY STORY</p>	<p>SONIA PINHO, STUDIED IN GERMANY, DENMARK AND PORTUGAL</p> 	<p>"The Erasmus Mundus experience has been a rewarding one for me, filled with moments of anxiety and exhilaration. It afforded me the opportunity to interact with people from all corners of the globe, and there is no doubt that I now have a new perspective of my life within the "global village". The chance to get in touch with the different areas of expertise in the material sciences community offered by each university was a once in a lifetime opportunity. Many thanks to the European Commission for the Erasmus Mundus vision, a vision on which I hitched a memorable ride."</p>
