Country Group guiding questions.....

1. What are now the most useful practical steps for “kicking-off” the establishment of Operational Groups?

2. What key information on the EIP-AGRI and Operational Groups needs to be disseminated amongst stakeholders – especially farmers?

3. What are the main challenges / “burning questions” that need to be addressed for setting-up Operational Groups?

Report back in English

- volunteer 'harvesters' + cards

Thematic Group guiding questions.....

1. What is the significance of this theme?
2. Are there any key issues of concern / interest regarding the EIP-AGRI?
3. Is there any potential for regional / cross-border co-operation to address these issues?
