04 July 2007 No. (1.12-01)-3- 4348

REGARDING TRANSPOSITION OF THE DIRECTIVE 2006/32/EC

While implementing provisions set out in Article 14(2) of the Directive 2006/32/EC of the European Parliament and of the Council of 5 April 2006 on energy end-use efficiency and energy services and repealing Council Directive 93/76/EEC (OJ L 114, 27.4.2006, p. 64), we submit the first Lithuanian Energy Efficiency Action Plan. The Energy Efficiency Action Plan was approved by the 2 July 2007 Order No. 4-270 of the Minister of Economy of the Republic of Lithuania. In the short run it will be published in the official publication of the legislation of the Republic of Lithuania "Valstybės žinios". Please find enclosed the above-mentioned Order and Energy Efficiency Action Plan and their unofficial translation into English.

ENCLOSED: 28 pages.

Undersecretary of the Ministry
